To Parish Priest,
and Parishioners,
St. Francis of Assisi Parish,
Concord – California.

Dear Friends in the Lord,

Re: Gratitude for Your Financial Support to Our Underprivileged Students at St. Ignatius Prep and Primary School – Dodoma, Tanzania.

Kindly note that reference is to the above caption!

Greetings of peace in these troubling moments of the Covid-19 pandemic! On behalf of the parishioners at the "Blessed Maria Theresa Ledochowska Parish in Dodoma Tanzania, I thank you for the Sunday July 11 fundraise you had for our underprivileged students at "St. Ignatius Prep and Primary School. Through Madam Janet Money, the parish business manager, we received the donation of US \$ 6,275. Our heartfelt gratitude for this generous donation! May God continue to bless for your generosity! May the works of your hand continue also to prosper! More than thirty students are going to benefit from this donation, covering their school fees.

It has been over 15 years since we entered in this wonderful cooperation and twinning. Many children have benefited from this support. The first recipients graduated from universities last year and they may start contributing to the good of the nation this year! It is wonderful to note how your donations have transformed the lives of many young men and women who otherwise could not have gone to school, or have a better education that could impact their future lives.

We keep you in our humble prayers, thanking God for this wonderful collaboration and twinning. May God continue to bless you all for your enormous generosity and support to our neediest students! Lots of prayers and blessings!

Fr. Sossy Luyembe, SJ.
Pastor and Director of School
